

# Lockdown Comparison Chart & Design Considerations

Other  
Products?

<b>PROVEN USE IN ACTUAL INCIDENTS?</b>	Bearacade® units deployed quickly and effectively in 20 actual hostile intruder incidents in 2017 and 2018!	?
<b>NO MOUNTED PLATES OR HARDWARE?</b>	Bearacade® units do not require mounted plates or code-violating secondary hardware on door or floor. No compromise of fire rating of door. No trip hazard. Simple and fast preparation to use.	?
<b>SECRET MISUSE?</b>	Bearacade® cannot be deployed secretly. We know the rising rates of bullying, assault, and harassment. <i>Don't "fix" one problem but increase your risk and liability!</i>	?
<b>COULD IT BE USED AS A WEAPON?</b>	Bearacade® has rounded corners and is lightweight. We don't want a weapon introduced into a classroom or office!	?
<b>ONE-MOTION DEACTIVATION?</b>	Bearacade® does not require special strength, a series of steps, or special knowledge to deactivate. No tightening or over-tightening. One simple release – pull the pin and go!	?
<b>ONE SOLUTION FOR ALL INTERIOR DOORS?</b>	Bearacade® units are consistent, intuitive, simple, and effective on inward- or outward-swinging doors. Many double doors too!	?
<b>ABILITY TO GAIN ENTRY FOR ADMINISTRATION AND SAFETY FORCES?</b>	Yes! Administration and safety forces can gain entry without destroying the door or wall should a teacher become incapacitated or a unit be misused. The process takes 30 to 45 seconds using our proprietary Defaulting Blade™.	?
<b>STRENGTH?</b>	Bearacade® can withstand 4,800 pounds of shearing force. Additional tensile strength, torque, ballistics, impact, and flame resistance testing prove the serious strength of each unit. Every Bearacade® meets exacting specifications at our ISO 9001:2008-certified manufacturing facility.	?
<b>WEIGHT?</b>	Bearacade® weighs just 2 lbs and is be easily handled and deployed.	?
<b>COST?</b>	Single units begin at just \$59 each. Volume pricing available.	?
<b>3-TIME <i>Campus Safety Magazine</i> BEST PHYSICAL SECURITY EQUIPMENT?</b>	2014, 2015, and 2016 BEST Physical Security Equipment. Also honored in the category of BEST Access Control systems in 2017.	?
